Dear Sir,

Complaint Regarding Delay in Obtaining Release Letter from Ukraine Due to Conflict.

I am writing to formally inform the University about my inability to obtain my Release Letter from Ukraine at this time due to the ongoing conflict situation in the country.

I was previously enrolled in an institution in Ukraine, and as part of the admission/transfer requirements, I am required to submit an official Release Letter from my former institution. However, due to the current security challenges and disruptions caused by the conflict, administrative operations in the country have been significantly affected, making it impossible for me to obtain the required document at this time.

Despite several efforts to communicate with the relevant authorities, the unstable situation has continued to delay the processing and issuance of official documents. I wish to sincerely express my concern regarding this delay and respectfully request the understanding and consideration of the University in this matter.

I would like to assure the University that I remain committed to fulfilling all necessary requirements. Once the situation in Ukraine stabilizes and normal administrative activities resume, I will promptly obtain and submit the Release Letter without delay.

I kindly request that the University grant me temporary consideration while I await normalization of the situation, and I deeply appreciate your patience and understanding given the extraordinary circumstances beyond my control.

Thank you very much for your attention to this matter.

Yours faithfully,

Hauwa Alhassan Babangida.
