APPLICATION FOR TRANSFER TO THE UNIVERSITY OF MAIDUGURI

I humbly write to request for a transfer from Prince Abubakar Audu University, Anyigba, to the University of Maiduguri. I am a 200-level student in the Department of Arts Education (Islamic Studies), Faculty of Education, with matriculation number 24IE1040.

My reason for seeking this transfer is based on marital grounds. I recently got married and relocated to Maiduguri, Borno State, where my spouse resides. In order to continue my

academic pursuit without disruption and to balance my family responsibilities, I respectfully seek the University's approval to transfer to the University of Maiduguri.

I am ready to comply with all requirements and provide the necessary documents to ensure a smooth academic transition. I sincerely appeal for your kind consideration and favorable response to my request.

Thank you for your understanding and support.

Yours faithfully,
